

JEFFREY RASMUSSEN

1150 Hamline St, Unit 138, Grand Forks, ND 58202 | (701) 460-0365 | jeff.rasmussen23@gmail.com

Objective

- To obtain a full-time teaching position as a secondary mathematics educator

Professional Experiences

Eighth Grade Math Teacher (August 2019 – Present)

Valley Middle School – Grand Forks, ND

- Taught Enriched Geometry, Pre-Algebra, and Transitional Math III
- Created engaging lesson plans that incorporated various methods of instruction ensuring students were actively engaged and understood the material
- Effectively used formative and summative assessment data to guide instruction
- Engaged in Professional Learning Community to better department practices
- Actively participated in Individualized Education Program meetings for students on IEPs
- Participated in numerous professional development opportunities to deepen my knowledge and become a more well-rounded educator

Student Teaching (January 2019 – April 2019)

Red River High School – Grand Forks, ND – Paige Ferguson

- Taught 2 sections of both Algebra I and II, and 1 section of Trans Math 3
- Implemented instructional strategies to assist students with completion of math assignments
- Engaged in Professional Learning Community
- Individually attended Individualized Education Program meetings for students on IEPs
- Used self-reflection and guidance from cooperating teacher to continually improve my instructional strategies and classroom management skills
- Effectively used assessment data to guide instruction

Certifications

North Dakota Educator's Professional License (April 2019 – Present)

- License Number: 000424441
- Currently hold a North Dakota Educator's Professional License with certification to teach mathematics in grades 5-12
